KAMOGA 3.1 | KAMOGA 7.1

Introducing the little Amigo... **KamoGa 3.1** Home Entertainment System

Gallantly coated in grey, the space-saving KamoGa 3.1 Blends seamlessly into your interior aesthetics. With a bundled 3 satellite - speaker system (Left - Centre - Right), a subwoofer and a pair of wireless microphones with build in Digital Sound Processor, your KamoGa journey will take you to a unbelievable level of pure audio experience especially with the clarity gained in movie dialogues, when connected to your TV via HDMI (ARC). With just one button to automatically switch between modes - Karaoke, Music, Movies, gaming and more, you will soon unravel the ease of simplicity of the KamoGa ecosystem.

KamoGa 7.1

Meet the robust yet elegant Big Brother In Black, KaMoGa 7.1 Home Entertainment System

Searching for a surround-sound home entertainment system that can withstand the heavy “test of times” ? Your search stops right here with the all new KaMoGa 7.1 that packs a punch in all audio and aesthetic proportions. With precision engineering that features seven satellite speakers and a thunderous subwoofer, KaMoGa 7.1 audio-visual receiver is powered by **MAXXWAVE Technology** to deliver a crisp dynamic range of soundscapes, a powerful blazing bass and an immersive 360 cinematic experience. With three HDMI inputs to manage your music, movies and gaming needs, this Big Brother is also equipped with a built-in Digital Sound Processor

Small is the new Big, KaMoGa : Karaoke. Movies. Gaming and more. Experience THE Experience.

VERSATILITY IS THE ESSENCE FOR THE BIRTH OF THE *KamoGa*.

The first of its kind that hubs all your entertainment needs under one roof with major advancements that include Dolby Digital True HD / DTS and 4K Pass-Through features. Be it Karaoke, Movies, Gaming or Music, KamoGa is the only All-In-One sound system that delivers everything.

MULTI FUNCTION

Ka –

Big chunky karaoke speakers are passé. It's time for **Karaoke** lovers to enjoy good clarity and an immersive singing experience through the all new satellite speakers; small they may look, but be impressed with the thunderous soundscapes they deliver.

Mo –

Elegant design, outstanding quality, with a touch of a button, transform the satellite speakers to the **Movie** mode and get swept off by the fullness and depth of music.

Ga –

Ever tried **Gaming** in a surround sound environment where every corner of your room is filled with mean punches and resonating rich sounds. Start your gaming adventure with KamoGa.
